SCMS Training Center conducts classes every fortnight for the Operational and Management level COC for Deck and Engine Officers at its training center located near CBD-Belapur Railway Station, boasting of a highly experienced and dedicated faculty, who provide hands-on practical training on advanced simulators.

Panama

Liberia

Honduras

The upgradation and assessment process for Panama, Liberia and Honduras Management level COC is as follows:

- 1. Obtain eligibility through our MTC***
- 2. Attend Upgradation course & Assessment (Attend Online Upgradation in case of Liberia and Honduras)**
- 3. Final Evaluation & Issuance of Upgraded COC by Panama, Liberia and Honduras Administration (with possession of valid STCW modular course)**

Why choose us?

- 1. Total Duration for each upgradation: 2-3 months**
- 2. Lowest fee for each level of Panama, Liberia and Honduras COC.**
- 3. We also provide residential facility close to the training center at our Nadhal Campus**

SCMS is the only Liberia Registry-approved Marine Training Center in India to conduct assessment of Operational and Management-Level Liberian Certificate of Competency. Liberia Registry accepts upgradation of COC for over 50 countries. The upgradation classes and assessment are held online.
